Old business –

Need to find out how much we made from the Menchis fundraiser

Margaret is going to check into costs for another poinsettia vendor. Terri said there's a history with the other vendor and would like to use them for another year to try and correct the problems (not the right number of each color)

Candy bars – decided to sell for \$1.00 next year. Joy said there are candy bars left if anyone wants to sell them for \$1.00.

Kringle – thinking about changing Kringle vendors. Margaret likes O&H Bakery, so she's going to check into it.

Class supplies for elementary teachers came in at \$199. Teachers are very happy.

Maria would like to make a motion to abandon the magazine sales. We made \$357 since the beginning of the year, so we're not sure about just letting it go. We will talk about it in August again.

Pizza Ranch fundraiser is May 19.

Terri will take care of thank yous in the green note, DCRC bulletin, J&B, and Hernandez for the chips and salsa that was donated.

New business –

Approved up to \$100 for cake for graduation

Maria announced they received Kohl's Cares grants for field trips for next year. Betty Brinn will be covered for PK and K (\$400+) and Discovery World for 1-4 (\$700+). This covers entrance fees and bussing.

Margaret mentioned a grant from Goodwill in the spring that could be applied for. Maria will ask Grace about it.

Teacher appreciation – Maria said everything was awesome! Margaret liked the way things were divided by class, Lisa suggested we budget for an amount for each day to use for either teacher gifts or for food.

Maria made a motion to close, Joy seconded. Margaret closed in prayer.
